Breast Cancer Now, Sponsored Bike Ride

This July, Rebecca Sharpe is cycling 300 kilometres to raise money for Breast Cancer Now! This challenge is about getting as many people as possible active and involved in raising awareness and funds for breast cancer research and care.

Breast Cancer Now is a charity that's steered by world-class research and powered by life-changing care. They're there for anyone affected by breast cancer, the whole way through, providing support for today and hope for the future. They believe that they can change the future of breast cancer and make sure that, by 2050, everyone diagnosed with the disease lives – and is supported to live well. But we need to act now.

Your contribution will make an impact, whether you donate £5 or £500. Every little bit helps. Thank you for your support.

Forever Alive
