Breast Cancer Now, Sponsored Bike Ride

This July, Rebecca Sharpe is cycling 300 kilometres to raise money for Breast Cancer Now! This challenge is about getting as many people as possible active and involved in raising awareness and funds for breast cancer research and care.

Breast Cancer Now is a charity that's steered by world-class research and powered by life-changing care. They're there for anyone affected by breast cancer, the whole way through, providing support for today and hope for the future. They believe that they can change the future of breast cancer and make sure that, by 2050, everyone diagnosed with the disease lives – and is supported to live well. But we need to act now.

Your contribution will make an impact, whether you donate £5 or £500. Every little bit helps. Thank you for your support.

1st Reconciliation

Please remember in your prayers our 5 young parishioners who are making the sacrament of Reconciliation at 5.15 on Saturday, in preparation for making their 1st Communion on 17th July

Lunch Club

The next lunch club for people living on their own will now take place on Monday 6th September due to the restrictions still being in place.
